Summary of Legislation: (Amended) This bill requires the Department of Administration to assign parking spaces along Senate Avenue to state employees and visitors with mobility disabilities. The bill permits the Department to reserve a limited number of spaces for satellite transmission vehicles used by electronic media. The bill prohibits the Department from assigning space in the State House to any private entity, other than space assigned for express delivery boxes, newspaper vending boxes, food sales areas owned or operated by visually disabled persons, and ATM machines. The bill requires the Department to reassign any space previously assigned to nongovernmental entities to the Legislative Council.

Effective Date: July 1, 2002.

Explanation of State Expenditures: (Revised) *Department of Administration:* This bill could have a minor administrative impact on the Department of Administration as it reassigns office and parking space in and around the State House. Any impact is expected to be absorbed using existing staff and resources.

Legislative Council: The bill reassigns the approximately 2,000 square feet area currently used by the 17 media organizations with offices in the basement of the State House to the Legislative Council. The costs associated with the transfer of the office space are currently unknown and will be contingent on how the Council determines the area should be used.
